## PROFILE AND OBJECTIVES

Being the center of my studies throughout my university course, finance is also a sector of activity which corresponds perfectly to my centers of interest. I am therefore very interested in the opportunity of a Master's degree in Finance or a related field.

## EDUCATION

- June 2013 - Bachelor in Economics and Management
- March 2017 - Training in Forex and stock Market Trading certified by TeleTrade Tunisia and the National Trading Center France: Update and broaden my knowledge and skills in financial matters.
- June 2017 - Bachelor in finance from IHEC Carthage: Development of a good knowledge of corporate finance through these modules: financial diagnosis, long-term financial decisions.
- April 2021 - certification in web development (FullStack JavaScript).

## WORK EXPERIENCE

1. September / October 2017: Summer internship in an accounting cabinet as an accounting assistant:
  - Recording of daily accounting entries
  - Performing bank reconciliations
2. February - May 2019: PFE internship carried out in the AFRICA HOTEL within the hotel control service:
  - Participation in internal control procedures
  - The writing in parallel of a research dissertation whose title "the contribution of internal control to performance".
